HIGH SECURITY LOCKS

**A-BUDGET LOCK & DOOR  
IS PROUD TO CARRY  
MEDECO HIGH SECURITY LOCKS.**

Medeco locks are sold and installed by professional locksmiths qualified to serve the security needs of both commercial and residential customers. Made with pride in the USA, Medeco locks protect U.S. government and military installations here and abroad, as well as countless schools, universities, hospitals, banks, offices, and homes around the world.

For high security protection, don't rely on any ordinary lock... ask for Medeco, the world's premium high security mechanical lock.
